Date: 23/09/2024

(In pursuance of powers conferred upon Officer on special duty by the Fee Regulatory Committee (Technical) the following circular is issued.)

CIRCULAR:

The Committee has received applications for determining the fee structure for the programs listed in **Appendix-I** which are under the purview of the Committee after 23/08/2024. These programs are either newly started from the academic year 2024-25 or reinstated in the year 2024-25. As these programs are added under the purview of the Committee from the academic year 2024-25, the financial data for the immediate preceding years is not available for them. Hence, the fee structure for these programs is determined based on the Standard Operating Procedure of the Committee and the fees charged by either the other institutions under the same trust offering similar programs or the institutions in the nearby areas offering similar programs. Considering the factors mentioned herein, the Committee now prescribes the fee structure for the year **2024-25** only for the institutions listed in **Appendix-I** attached herewith as per the following terms and conditions.

The fee structure determined by the committee applies to the student who is admitted in the academic year 2024-25 and shall continue to apply until completion of his or her course in the said institution.

As per section 11 (2) of the Act, the fee structure indicated in **Appendix-I** to this Circular includes all types and kinds of fees such as Tuition fees, Library fees, Laboratory fees, Computer Fees, Caution Money, Gymkhana, Internet, Sports and Recreation and Self/Personality Centers fee, University Affiliation fees (if any) and the like. As such the institution shall not collect any other fee from the students except the fees as mentioned in **Appendix-I** to this circular. It is also not permitted to collect the fee at a time amounting to more than one term fee from the students in an academic year.

The institutions listed in **Appendix-I** to this circular shall have to submit their proposal for the next year i.e. 2025-26 in the format as prescribed and/or direction that may be issued by the Committee.
