Sub: Refund of fees charged higher than determined by the Fee Committee constituted by the State Government.

Please refer to our earlier correspondence with regard to the subject noted above. By our letter dated 12.07.2013 the authorized representative of the institution was directed to remain present before the Committee on 16.07.2013 and in pursuance of the said direction Dr. A.S. Abani, Founder Director & Dean remained present. He informed the Committee that the institution has been complying with the directions of the Committee with regard to refund of the excess amount collected by the institution towards the tuition fees and other fees. He stated that the student who approached the institution was being refunded the amount. The Committee was however not satisfied with the action taken by the institution as all the concerned students may not be aware of the direction given by the FRC and therefore, the Committee suggested to Dr. Abani that the efforts made by the institution were not adequate to comply with the letter and spirit of the directions given by the Committee and therefore, the institution should inform each and every student to approach it and to collect the refund. Dr. Abani was also directed to convey to the Committee the subsequent developments. However, the Committee has not heard anything from the side of the institution till this date.

In view of the same, you are directed to inform the Committee what steps the institution has taken within a period of 10 days from the receipt of this letter failing which appropriate order will be passed against the institution.
